

## Lander County Location/Market Access

Nevada offers great accessibility to the major western markets and is at the hub of the western transportation system - an important fact for any business where access and location are key. Nevada is perfectly situated as the hub of the 11-state western region, with a market area of 51 million people within one day's drive.

### Trucking

I-80 traversed the northern end of Lander County east-west, passing through Battle Mountain. State Highway 305 north-south bisects the county, linking Battle Mountain and Austin. Highway 50 runs east-west at the county's southern end, passing through Austin.

### Foreign Trade Zones

Northern Nevada has nearly 7,500 acres of Foreign Trade Zones. A Foreign Trade Zone is designated by the United States Customs Department and allows foreign and domestic merchandise to be admitted for operations such as storage, exhibition, assembly, manufacture, and processing, without being subject to formal Customs entry procedures, the payment of Customs duties or the payment of federal excise taxes.

Currently, there are no foreign trade zones within Lander County. Contact us for information on how to be a part of a foreign trade zone.

### Rail Service

Passenger service is provided at Carlin or Winnemucca through Amtrak. Freight service is provided by Western Pacific Railroad, Union Pacific and Burlington Northern Santa Fe.

### Airport

**Battle Mountain/Lander County Airport** is located 2 1/2 miles southeast of Battle Mountain. It has two lighted runways, both are 7,300 feet, asphalt. There are also two helipads, each measuring 60X60 feet. Charter service is offered through Lander Aviation.

**Austin Airport** is located 10 miles west of town includes a lighted 6,000 foot runway.
